GRAND KNIGHT'S MESSAGE

Brother Knights,

Greetings, as always I hope everyone is healthy and well. The holiday season is fast approaching. It is a time to enjoy with family and friends. However there are people around this time of the year that have no place to go, very little food on their plate and no clothes to put on their backs. For one of the richest countries in the world this still exists here. We must continue to work hard to help those less fortunate than us. That is why we join such a great organization.

This time of the year food and clothing drives are needed more as winter fast approaches. For the month of October we had a clothing drive for the whole month and 2 food drives. One was a drive through at the council and the other was at Guintas Meat Farms on Portion Road. A big thank you to all the people that donated their time, food, and clothes to make these events very successful.

We are attempting to have a Christmas Party and New Year's Eve Party as we try to get back to normal. Both events are limited to 60 people because of COVID-19, on a first come basis, see flyers for details. We will also be looking for volunteers to carve turkeys for the soup kitchen and decorate our council for Christmas. Get with me or Vinny Safina DGK for details.

A little history. Thanksgiving proclamations were made mostly by church leaders in New England up until 1682, and then by both state and church leaders until after the American Revolution. During the revolutionary period, political influences affected the issuance of Thanksgiving proclamations. Various proclamations were made by royal governors, John Hancock, General George Washington, and the Continental Congress, each giving thanks to God for events favorable to their causes. As President, George Washington proclaimed the first nationwide thanksgiving celebration in America marking November 26, 1789, "as a day of public thanksgiving and prayer, to be observed by acknowledging with grateful hearts the many and signal favors of Almighty God. We have a lot to be thankful to God this year. Our health and financial stability which still allows us to keep on helping our fellow Americans. I would like to wish all our brothers, sisters and their families a very HAPPY THANKSGIVING.

NOVEMBER 3 VOTE 2020.

Regards

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling His commandment of charity and building up His Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your servant, Father Michael J. McGivney, on earth according to the design of Your holy will. Through his intercession, grant the favor I now present (here make your request).

Our Service Men and Women

And all our deceased Members

May their Souls Rest in Peace

To my brother Knights and sister Columbiettes,

For some time now the board of Club 4651 have been grappling with the financial burden required to operate our building and the current Pandemic has only exacerbated the problem. We believe the time has come to relieve ourselves of our onerous burdens, the property taxes.

To address this issue we have devised a new business plan we call the longevity project.

The five main goals of our plan are as follows:

1. Club 4651 will complete its transition to a tax-exempt status and operate as a non-for-profit corporation.
2. Certain amendments to our by-laws will have to be enacted and an attorney engaged to produce the required legal documents.
3. An amendment must be enacted clarifying the membership and voting requirements set down in our by-laws for the board of directors of Club 4651 due to the changes.
4. As part of the transition a 501c community veterans charitable service organization will be established.
5. After the transition both St. Regis Knights of Columbus and the Columbiettes will have scheduled use of the building for meetings and events rent free.

If anyone has any questions or concerns please contact me and I will do my best to address them.

In closing, we request that all brother Knights respond to this message, come to the meeting and exercise your right to vote.

Michael G. Kiernan

President Club 4651

VOTE YES ON THE LONGIVITY PROJECT

At the business meeting on December 2nd 2020 a vote will be held to consider two issues:

1. Elect a new member to the board of Club 4651 to fill the vacant unexpired term.
2. Ratification of the LONGEVITY PROJECT.

Knights of Columbus
INSURANCE
YOUR SHIELD FOR LIFE

Brothers:

NEVER INVEST IN AN ANNUITY!! You've no doubt seen this kind of headline in the financial pages or you've seen pop-up ads on your computer or you've heard some friend repeat what he's heard from his buddy's uncle. Are they serious?

Let's start with the basics: An annuity is a tax-favored savings instrument. The government gives it special tax treatment because it's designed for retirement income. An annuity can be qualified or in other words, funded with money that you have not yet paid taxes on, like an IRA or an RRSP in Canada. Or non-qualified, that is, funded with money you've already paid the tax on. Like money you take from your paycheck or out of your savings account. Either way, the tax on the growth in your Knights of Columbus annuity each year is deferred...you pay no current tax on it and pay only when you withdraw money.

I'll tell you that I think an annuity is a is a great product in the right situation. Especially a Knights of Columbus annuity. In addition to tax deferred growth, here are a few more reasons why I think that way:

1. Your minimum interest rate is guaranteed...for life! There is a floor that the interest rate will never drop below. The good news is that we've always paid a higher current interest rate than the guarantee. This feature means nobody has ever lost a dime in a Knights of Columbus annuity...and never will!
2. Your principal is guaranteed by the Knights. Now that kind of guarantee is only as good as the company backing it...and we've had 40+ years of Superior ratings from A. M. Best for financial strength. (As of January 2019, rated A+ Superior by A. M. Best)
3. You are charged no administrative fees each year...100% of your money goes to work for you earning interest from day one.
4. Even though annuities are designed for long-term growth, after one year you can access 10% of the value without any KofC penalty.
5. Owners of annuities name a beneficiary; this means that at death, the proceeds bypass probate. This saves time and usually money, too.
6. You can enjoy an income that you (and if you wish, your wife) can never outlive!

Dear Sister Columbiettes,

Here we are now, in November! The leaves are starting to turn colors. The crisp air is perfect for just about anything. I love the fall and going for walks with a jacket on while enjoying my coffee.....holding a cup of coffee just makes me happy....a large cup of coffee that is...just saying.....lol.

First off here, I want to thank all you ladies for your pocketbooks.....I collected so many, we definitely topped all auxiliaries across Suffolk County!!! I wrote this message before I even collected all of them, so I will have a total count to share with you at our meeting. This was such a great idea that Suffolk Chapter Columbiettes did and I would love to see this happen each year. For those of you who don't know, Suffolk Chapter collected pocketbooks in October, with small/inexpensive makeup or cosmetic items to be donated and given to women who turned to a shelter because of abusive situations. We are women, and it is so important that we help other women. All Suffolk County Columbiette Auxillaries were asked to participate and we did fabulous. I was on Zoom for the October's Chapter meeting and I heard a few of the women from other auxiliaries telling Pat Tariol (President of Chapter) that they had some pocketbooks or a few that they were bringing to her. Well, Pat's eyes lit up when I told her I had at least 50 to 70 pocketbooks!!! Bravo St. Regis!!! Some of our Officers wrote on index cards or little blank cards, inspirational messages to go in each pocketbook. The messages of hope and brighter tomorrows were perfect! Thank you to those Officers also!

Next, we have our Regular Meeting set for **Wednesday, November 11th @ 7:00**. I think everyone is liking having our meetings start a little earlier. I will not do the Zoom meeting. I am only doing "live" meetings at the Council. I'm sorry, it just wasn't working out, but, I am not a techy kind of person. I used to be, but, technology has gone faster than me.....so, I am not the greatest with this kind of thing.

For November, we will discuss donation checks that can be sent out in December. We will also look at the budget and see what expenses I have encumbered money for. There may be some events that won't be happening this year or we may decide to spend less money on those line items.

By the time we have our meeting, I will have already been in touch with Shepard's Gate (St. Joseph's Church Soup Kitchen) to confirm their re-opening and we will be able to do our Christmas Gifting to the recipients of Soup Kitchen for their Christmas Dinner with Santa.

We started this tradition 2 years ago. We were once again asked to donate towels for the adults. That will be our **Christmas Workshop/Meeting** on **Wednesday, December 9th @ 7:00 pm**. We will wrap the towels for adults and candy/books for the children. Such a beautiful way to share what we have in abundance.

For anyone who hasn't read and signed the Code of Conduct Form that is from Supreme Council of Columbiettes, and wish to do so, I attached it to this Knightlife.

Well, I can't think of anything else right now, so, I hope you are all doing well and look forward to seeing you on **Wednesday, November 11th @ 7:00 pm @ Council**.

Carmela Safina,

St. Regis Columbiettes' President

Supreme Council Columbiettes

Code of Conduct

(Adopted as of July 18, 2020)

This Code of Conduct (the “Code”) aims to ensure all members of the Columbiette Order uphold the standard of conduct we promote, as the fraternal mission of the Columbiettes can only be realized through a common understanding of appropriate conduct. It is the responsibility of all members to abide by the Code and to report violations or suspicions of violations. Therefore, all members and those who qualify for initiation into the Columbiette Order pledge to accept this Code as a minimum guideline for ethical and appropriate conduct in connection with her participation in the Columbiettes.

Purpose of the Columbiette Order

As members, we, columbiettes aim to:

- Promote the spiritual, social, and charitable welfare of our members.
- Instill a steadfast conviction relating to the proper place and function of Catholic women in safeguarding the religious, civil, and economic rights of all Catholics.
- Rely upon the intercession of Mary, our Mother and Model, for guidance in guarding the common good, on loving and aiding all members of the human family, and to give assistance to the Knights of Columbus in their activities upon request.

To embody these purposes, we have responsibilities to both God and to one another. We believe our first responsibility is to God and our following of His commandments, especially love the Lord with your whole heart and soul and love one another as yourself. We also have a responsibility to our members. As Catholic Christian women, we must be accountable to higher standards of conduct to our fellow mankind. Our purpose is to serve God and enhance the lives of people in our families, our membership, our Auxiliaries, parishes, and communities. We must always uphold our values and do the right thing, including taking steps to ensure our actions and reactions are charitable. Being a member means making a commitment to uphold our Organization’s values and to maintain a Christian environment.

In setting a Godly example, we are responsible for and will provide an inclusive environment where each member must be considered an individual. We must respect each member’s diversity and dignity; as well as recognize her merit. We must strive to be free from discrimination, harassment, and bullying. Threats, violent behavior, and endangering the safety of others will not be permitted.

Ethical Principles and Core Values

1. Integrity - Integrity means doing what is right. By acting with integrity, we reflect positively on the values and reputation of the Organization.
2. Honesty – Honesty is the refusal to lie, steal, cheat or deceive in any way.

Supreme Council Columbiettes

Code of Conduct

(Adopted as of July 18, 2020)

3. Trustworthiness – We not only prove our worth by being trustworthy; we also put our trust in others to fulfill their duties.
4. Respect for Others– Respect starts by showing respect to all. Respect must be earned.
5. Responsibility – No matter what job you do or where we do it, we are responsible to do things to the best of our ability.
6. Accountability - We are held accountable for the actions or reactions we do.
7. Empathy – Empathy is simply recognizing emotions in others.
8. Obedience to our Constitution and By-laws – We are obligated to follow the laws regarding our Order.
9. Teamwork – We are one Team with many individual members who have different talents and strengths.

Inclusiveness and Diversity

The Columbiettes embrace meaningful steps to promote inclusiveness in its membership and constituencies served. The Organization ensures the rights of all, whether members or those being served by our membership, without discrimination on the basis of race, color, religion, national origin, gender, genetics, disability, or age, in accordance with all applicable legal and regulatory requirements.

Harassment and Bullying

The Columbiettes will have a zero-tolerance policy for any form of harassment or bullying. Unwelcome conduct that creates an environment which would be intimidating, hostile, or offensive to reasonable people, as well as intentional behavior that hurts, harms or humiliates, physically, or emotionally, is a direct violation of the purposes of the Columbiettes and this Code. Harassment and bullying can include physical actions, verbal language, written words, or objects that create a hostile or intimidating environment. Spreading malicious rumors or gossip will not be tolerated.

Equal Opportunity

We value each other's contributions and believe that everyone should have an equal chance to succeed – this is essential to achieving our principles and values. We must each do our part to keep the Columbiettes a diverse, inclusive, and respectful organization by having a positive attitude and recognizing the many strengths and talents our members bring to the Organization.

Supreme Council Columbiettes

Code of Conduct

(Adopted as of July 18, 2020)

Decision Making

The Columbiettes has a governing body with a defined chain of command. The Supreme Council, comprised the Officers and Board of Directors, is the ultimate decision-making body for the Organization, responsible for determining matters of mission, strategic direction, policy, governance, and membership. The State Councils and subordinate Auxiliaries provide leadership on a local level. Chapters, where applicable, are responsible for the exchanging of ideas in their perspective areas.

In working to achieve excellence, leadership at all levels of the Columbiettes will:

- Conduct organizational and operational duties with positive leadership exemplified by open communication, creativity, dedication, and compassion.
- Serve with respect, concern, courtesy, and responsiveness in carrying out the purposes of the Columbiettes.
- Demonstrate the highest standards of the Columbiette ethical principles and core values, including personal integrity, truthfulness, honesty, and respect to inspire confidence and trust in all of the Organization's activities.
- Strive for personal and fraternal excellence; and encourage the development of others.

When making decisions at all leadership levels, our Columbiette leaders will ask themselves the following questions:

1. Is it legal?
2. Does it comply with the Constitution and By-laws?
3. Does it reflect the Organization's values?
4. Does it respect the rights of others?
5. If unsure about any of the answers, ask an Officer.

Responsibility and Problem Resolution Reporting

The Columbiettes encourage all members to ask questions and to raise issues without fear of retaliation and is committed to treating reports seriously and investigating them thoroughly. It is the responsibility of all members to comply with this Code and to report violations or suspected violations. If a situation arises where it is difficult to determine the proper course of conduct, or where questions arise concerning the propriety of certain conduct by an individual or others, the matter should be brought to your Auxiliary President. Speak up if you have a concern or see something wrong and seek guidance anytime you are unsure about the right thing to do. If, for any reason, you believe it is necessary to speak to someone besides your Auxiliary President, report your concern to the following leaders as necessary:

1. District Deputy
2. State President
3. Supreme President

Supreme Council Columbiettes

Code of Conduct

(Adopted as of July 18, 2020)

The Columbiettes will promptly investigate all reports of Code violations or suspected violations. We prohibit retaliation with the intent or effect of adversely affecting the membership of a person who reports such matters in good faith. Any member who believes she may have been so retaliated against or adversely affected should immediately notify either her District Deputy or their State President.

In all questions involving ethics and conduct, the Supreme Council will make relevant determinations. Except that any member whose conduct is at issue will not participate in such decision-making process.

The Columbiettes take violations of this Code very seriously and the consequences for inappropriate behavior, depending on severity, may include permanent suspension of membership.

Confidentiality and Privacy

We respect the personal information of our members and handle that information with care. We protect any such confidential information entrusted to us and use it only in the way it is meant to be used. All those who receive access to confidential or personal information promise to respect and protect confidential information to which they have access in the course of performing Columbiette duties. We do not share it with anyone inside or outside the Organization.

Use of Social Media

Social media provides opportunities to network and create exposure for the Columbiettes. There are risks associated with it. Members are responsible for complying with the Columbiettes' rules, including this Code, and are accountable for any information they publish online. Members must ensure any information they post related to the Organization is accurate. They must respect the privacy of other members and obtain the members consent to publish materials. Members cannot pretend to be someone else online, speak on behalf of the Columbiettes or another member or Officer, share confidential information or post comments that could harm the Organization's reputation.

Each member will sign a statement, a copy of which is attached below, affirming that such member:

1. Received a copy of the Code of Conduct.
2. Read and agrees with the Code.

Good and Welfare

Hi everybody, hope all is well with you and your loved ones. So far so good. The Columbiettes members are all healthy and safe from Coronavirus as far as I know.

We have good news, Pat Mc Quaid and Curine Young are feeling better day after day. The ladies are recovering so quick from their surgery. Let's continue our prayers for their steadfast and fully recovery.

Our deep sympathy to Rita Devlin's and her family, Patrick her brother passed away.

As I mentioned in the meeting we are not sending birthday cards to the members, only sympathy and get well soon cards. If you know of any member and their family in need of a card and prayers please let me know.

My special thanks to Rosemarie McMenamin for helping me with the Good and Welfare, by giving me information on whom to send sympathy cards and get well soon cards, etc. I really appreciate your help.

Happy Thanksgiving to all. We know this year has been rough, but we see your strength and wish you all the best this thanksgiving. God bless us all
